DBE Good Faith Efforts Documentation Information

Ladies and Gentlemen:

Enclosed is Granite Construction Company's (Granite) DBE Commitment and Good Faith Effort Documentation as required by the Project Special Provisions. Directly behind this letter you will find the DBE information showing Granite's participation for the above referenced project.

Granite has achieved 12.11% of DBE participation for this project as outlined in our DBE Commitment Form, which exceeds the DBE goal for this project. The attached Good Faith Effort (GFE) documents our efforts to achieve this participation. Some highlights of our efforts to achieve DBE participation on this project include:

1. We made nearly 53% of all work on the project available to DBEs as shown in Tab 1 of our GFE.
2. We selected KRC Safety to perform Traffic Control, even though they were not the low bidder, for the sole purpose of increasing our DBE participation. We added \$11,424.00 to our bid for this DBE participation as shown in Tab 3 of our GFE.
3. We selected Clay Miranda Trucking to furnish Type A HMA, even though they were not the low bidder, for the sole purpose of increasing our DBE participation. We added \$7,333.00 to our bid for this DBE participation as shown in Tab 3 of our GFE.

Upon award of this project, Granite will continue our efforts to achieve DBE participation over the course of the project. We have a proven track record of consistently meeting or exceeding our DBE commitments during the construction of our projects.
